## SACRAMENTO UPDATE

### State Budget

Today, Governor Schwarzenegger signed SB 77 and SB 80, the two bills that together make up the FY 2005-06 Budget Act. It does not raise taxes, fully funds Proposition 42 transportation projects, and repays local governments the \$1.2 billion Vehicle License Fee Gap Loan a year in advance. According to the Governor's press release, he used his line-item veto authority to cut \$115.6 million from the spending plan passed by the Legislature last week. The Adopted Budget is \$117.4 billion with an estimated ending fund balance of \$1.9 billion, which includes a \$1.3 billion reserve for economic uncertainties. The Governor has yet to sign the budget trailer bills.

Since most of the vetoed items were reductions or deletions of legislative augmentations to the FY 2005-06 Budget, the overall impact on the County is unchanged from our July 7, 2005 estimated loss of \$8.6 million for FY 2005-06. Attachment I has been updated to reflect the final adoption of the Budget. The following items are of interest to the County:

- **CalWORKs and Food Stamp Administration.** The Governor reduced CalWORKs employment services by \$25 million and eliminated the \$10 million augmentation in State General Funds for Food Stamp administration to offset the unrealized savings estimated for the implementation of quarterly reporting. In his

veto message, the Governor instructed the California Department of Social Services to work with counties to determine the true impact of quarterly reporting and to reflect the appropriate level of savings in the January 2006 Budget.

- **AB 3632 Mandate.** The Governor sustained a one-time legislative augmentation of \$120 million (\$60 million in FY 2004-05 and \$60 million in FY 2005-06) to fund counties for providing special education mental health services under the AB 3632 State mandate. The Governor indicated that the funding will allow for the "transition" from a State-mandated program to a categorical program effective FY 2006-07. The categorical program is to be developed with counties, school authorities, community mental health providers, and other stakeholders interested in mental health and special education issues. The plan will address the roles and responsibilities of local education agencies and counties in providing these federally mandated services, including the scope of services, the necessary statutory changes, and funding levels.
- **Trauma Care.** The Governor approved \$10 million in funding for Trauma Care on a one-time basis. In his signing message, the Governor noted that he sustained the funding because of the fiscal pressures on California's trauma centers, and the critical role that they play in providing essential medical services. He also indicated that he is directing the State Emergency Medical Services Authority to work closely with local authorities to ensure these funds target priority needs and do not supplant existing funding.
- **Child Welfare Services.** The Governor deleted the legislative augmentation of \$5.6 million (\$3.5 million General Fund) for the Child Welfare Services Outcome Improvement Project. This reduction includes the \$400,000 General Fund augmentation by the Legislature for the expansion and evaluation of the DCFS Point of Engagement Service Delivery System.
- **Foster Care Administration.** The Governor deleted the legislative augmentation of \$2.5 million (\$991,000 General Fund) for Foster Care Administration. In his message, the Governor stated that the veto would re-establish funding for this program at the level proposed in his May Revision, which reflects Foster Care Administration funding needs based on the projected foster care caseload in FY 2005-06.

### **Status of County-Interest Legislation**

**County-sponsored AB 1769 (Negrete McLeod)**, which would authorize the Board of Supervisors to permit the Fire Chief to continue to work after his 60<sup>th</sup> Birthday, was returned to the Senate, amended, and approved, and now returns the Assembly for concurrence in the technical amendment.

Each Supervisor  
July 11, 2005

**County-supported SB 1018 (Simitian)**, which would add officers and employees of financial institutions, including banks, credit unions, and savings and loans, to those designated as mandated reporters of financial abuse perpetrated against elder and dependent adults, passed the Assembly Judiciary Committee on July 7, 2005 by a vote of 6 to 1, and now proceeds to the Assembly where it is scheduled for a floor vote on July 13, 2005.

Attachment II is a roster containing the status of all bills of County interest.

We will continue to keep you advised.

DPSS: Leader Reduction	.2	.2	0

Estimated Total <sup>(5)</sup>	\$ 171.9	\$ 87.9	\$ 8.6

<sup>(1)</sup> The May Revision column was revised to allocate the Governor's proposal to appropriate \$30 million for the reimbursement of AB 3632 claims (\$15 million for FY 2004-05 and \$15 million for FY 2005-06).

<sup>(2)</sup> Includes additional AB 3632 funding allocated for FY 2005-06.

<sup>(3)</sup> The Budget includes the allocation of \$60 million for the reimbursement of AB 3632 claims for FY 2004-05. The estimate assumes the County will receive about one-third of total claims.

<sup>(4)</sup> The Budget reduces the appropriation for the JJCPA Program to \$26.1 million to achieve a one-time savings for the State, and align the allocation of funds to the fiscal year in which funds are spent. There is no anticipated fiscal impact to the County because the program has been funded a year in advance.

<sup>(5)</sup> Estimated total does not include the full repayment of the Vehicle License Fee (VLF) Gap loan which is owed to local governments in FY 2006-07. The early repayment of the VLF Gap Loan will not have an impact because the County securitized the loan in FY 2004-05.

*This table represents the loss of State funds based upon the Governor's January Budget and May Revision, and the estimated impact of the Budget Conference Committee actions. It does not reflect the actual impact on the County or a department which may assume a different level of State funding or be able to offset lost revenue.*
